

Directions and coach parking

During the City of Christmas Valkenburg, specific facilities and traffic measures have been taken for coaches.

Coach directions for the City of Christmas Valkenburg

Coaches that are visiting the City of Christmas Valkenburg will all be directed to the pick-up and drop-off stop. This stop is signposted on all approach roads. The directions have been carefully plotted. We ask you **not** to use your navigation device.

- **Coming from the direction of Cologne - Aachen - Heerlen** take the A79 in the direction of Maastricht/Valkenburg. Take exit 3 Valkenburg-Houthem and follow the yellow signs to 'Kerststad Valkenburg' and the instructions from the traffic controllers.
- **Coming from the direction of Eindhoven**, follow the A2 towards Maastricht. Take exit 52 Valkenburg (A79) and exit the motorway. Follow the signs in the direction of Valkenburg and then you will be on the A79. Take exit 3 Valkenburg and follow the yellow signs towards 'Kerststad Valkenburg' and the instructions from the traffic controllers.
- **Coming from the direction of Liège - Maastricht** follow the A2 in the direction of Eindhoven and at the Kruisdonk interchange, keep right in the direction of A79 Heerlen- Aachen- Valkenburg. Take exit 3 Valkenburg and follow the yellow signs towards 'Kerststad Valkenburg' and the instructions from the traffic controllers.

Picking up and dropping off passengers

To ensure smooth traffic flow and for the safety of our guests, coaches are not allowed in the centre. For coaches, a pick-up and drop-off stop has been set up in the car park next to the Odapark. From this stop, passengers can easily reach the centre of the City of Christmas on foot.

When passengers need to be picked up again, the coach can drive back to the pick-up and drop-off stop to collect the passengers from there. The directions to the pick-up and drop-off stop and the coach parking lot are clearly signposted.

Traffic guidance is always available at the pick-up and drop-off stop.

Directions for parking your coach

A large parking lot for coaches is reserved opposite the pick-up and drop-off stop. You can park your coach there by following the instructions from the traffic controllers. In case this parking lot is full, a parking overflow lot will be set up at the Cauberg. You can only use this lot with instructions from the traffic controllers. You can see the directions to the Cauberg and from there back to Valkenburg on the attached map. From the Cauberg it takes approximately 15 minutes to walk to the City of Christmas Valkenburg.

Attention!

In order to limit the nuisance to our residents as much as possible, it is forbidden to let the engine of your coach run idle for more than five minutes. In addition, the prolonged use of your parking heater or generator is not allowed. This will be strictly monitored. We count on your cooperation.
